

DECLARATION FOR UTILITY OR DESIGN PATENT APPLICATION

As a below named Inventor, I hereby declare that:

My residence, post office address, and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which patent is sought on the invention entitled:

ACTUATOR AND CONTAINMENT DEVICE FOR A SYRINGE

the specification of which is attached hereto, and for which an application was filed under the Patent Cooperation Treaty designating the United States of America on July 5, 2004, as International Application No. PCT/GB2004/002921.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I hereby claim foreign priority benefits under 35 U.S.C. 119(a)-(d) or 365(b) of any foreign application(s) for patent or inventor's certificate, or 365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application for patent or inventor's certificate, or of any PCT international application having a filing date before that of the application on which priority is claimed.

ASSIGNMENT

Whereas I, the undersigned Inventor, having a place of residence as set forth below, have invented a certain improvement in a design for an ACTUATOR AND CONTAINMENT DEVICE FOR A SYRINGE, a utility patent application for which was filed in the U.S. Patent and Trademark Office on concurrently herewith.

Whereas, SAFE-T LIMITED, of Laurel House, Croit-Y-Quill, Lonan, Isle of Man, Great Britain (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in and to said invention or improvement;

Now, Wherefore, in consideration of \$1, receipt of which is hereby acknowledged, and other good and valuable consideration, I, by these presents, do sell, assign and transfer unto said Assignee, its successors, assigns and other legal representatives in and for the United States and its territories and for all foreign countries, the full and exclusive right in and to said invention as described in said application, together with any Letters Patent that may be granted on said application, and any divisions, reissues, continuations or extensions thereof that claim priority to said application; and authorize and request the Commissioner of Patents to issue any Letters Patent resulting therefrom to said Assignee; and covenant that I have full right to do so; and agree that I shall communicate to said Assignee or its representatives any facts known to me respecting said improvement and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation and reissue applications in connection therewith, make all rightful oaths and declarations, and generally do everything possible to aid said Assignee, its successors, assigns or nominees to obtain and enforce proper protection for said improvement;

I hereby authorize my attorneys, identified in the declaration constituting a part of said application, to insert in this Assignment the serial number and filing date of the above-identified application when known.
